Before Jesus began his ministry, the Spirit "drove him out into the desert." After forty days, He emerged from the desert announcing that the Kingdom of God was at hand, proclaiming to the people, "Repent and believe in the Gospel." This Lent, let us enter the desert with Jesus to sacrifice, repent, and pray.

Join us for fellowship, prayer, and family activities as we take a journey with Jesus into the desert to share in his sacrifice, enter with Him into Jerusalem and into His passion. and trod the road of suffering alongside Him - all the way to Calvary.
